Humane -- Below is what I believe is the first written request I received from Mr. McAleer for a copy of the EPA video. It is dated May 18, 2012. He may have filed any earlier request with the Hotline.

I plan on sending Mr. McAleer an email noting that we will treating his request as a FOIA and that he should direct any questions to our FOIA officer Richard Vanholt at (215) 814-5553 vanholt.richard@epa.gov. Okay?

Dear Roy,

It was good to talk to you on the phone.

As we discussed I am making a balanced documentary regarding Fracking.

I am requesting a copy of the video of the meeting when Craig and Julie Sauter received the results of the EPA testing their well in Dimock.

This is an important record of a very public issue.

I would suggest there are no piracy issues because the Sauters also videoed the meeting and have released several edited (maybe misleadingly edited?) excerpts of the meeting.
